GULLIBLE: Liam Duncan sold his dodgy Scotch eggs to unsuspecting publicans

You must be YOLKing!

SICKO FLOGGING SEAGULL SCOTCH EGGS EXPOSED

VILE Liam Duncan has been making a killing flogging Scotch eggs to pubs after the snack was given a popularity boost by the Government.

But his version of the treat is enough to put anyone off their pint – because they made with seagull eggs and street pigeon meat!

Michael Gove gave the beleaguered Scotch egg industry a boost last week when he revealed they are substantial enough to count as a meal in pubs, meaning drinkers in Tier 2 COVID areas don't have to a have a full dinner with their drink in boozers.

That announcement saw sales soar and catering supplier Duncan sold his entire stock in a day.

A nationwide shortage of sausage meat and eggs meant he couldn't get his hands on any more but eager to make even more cash, the sicko decided to get imaginative.

He had a freezer full of seagull eggs from a failed business venture and decided to use them for his Scotch eggs.

And keen to save even more money, he shot 400 street pigeons to provide the 'sausage meat'.

But he was caught after 10 people at the Bell End Inn in Splint, Cumbria, fell ill with a rare food poisoning, usually only seen on the Outer Hebrides.

By REX ROWLANDS
rex@sundaysport.co.uk

When *Sunday Sport* confronted him outside his £100,000 four-bed detached house in Runcorn, Cheshire he said: "I've done nothing wrong.

"People have been eating seagull eggs for centuries.

"Them in that pub they just cooked them wrong."

Old woman tackles flasher with bag

AN old lady twatted a filthy pervert over the head with a shopping bag after he approached her on a towpath where a string of flashing incidents have been reported.

The man beckoned her to go off the path and view his tackle as she walked along the canal in Woking, Surrey.

Police said his behaviour "caused her some concern" – and she hit him with the bag before managing to run away.

It followed other reports of a man exposing himself at women in the same area earlier.

Police patrols have been stepped up along the Basingstoke Canal towpath.

RANGERS-MAD MODEL'S ADVENT CALENDAR FOR HER HEROES

A RANGERS-loving glamour model has given fans an early Christmas present as she started an advent calendar celebrating all things about the Gers.

Lana Wolf has been rewarding followers with the daily post in Instagram which looks back at her team's greatest achievements.

Lana, who is also a porn star, wrote: "Follow...my Rangers advent calendar!

"Check in with me each day to see a post about the most successful team in the world.

"Merry Christmas!"

The daily post will help Rangers fans count down the days until December 25.

Smugglers sneak folk into Tier 1 for a drink

PEOPLE smugglers are charging boozers up to £200 a trip to spirit folk into Cornwall for a crafty pint!

When the new tiers came into force last week, Cornwall became the only place on the English mainland in Tier 1.

That means drinkers can have a pint there without having to have a "substantial meal".

Police immediately threw a ring of steel around the county to prevent boozers from neighbouring Devon from sneaking across the River Tamar for a drink.

Now smugglers – who usually sneak immigrants across the Channel into England – are rowing people across the Tamar in inflatable dinghies under cover of darkness.

One Plymouth soak said: "From Marsland Mouth in the north, to Saltash in the south, an iron curtain has descended across the West Country.

"And if I want a pint of scrumpy without a helping of pie, I have to cross into Cornwall.

"People smugglers are the only way to beat the border guards."

Kangaroo attacks perfumed jogger

A WOMAN was attacked by a kangaroo – and she blames the Sarah Jessica Parker fragrance she was wearing at the time.

Jogger Tracy Noonan was assaulted by a large kangaroo while exercising outdoors in Melbourne, Australia – beginning with "a massive thump in the middle of my back," which knocked her to the ground.

She managed to escape by throwing rocks at the giant marsupial, then took cover while she waited for it to hop off.

Park rangers later told Tracy it was most likely her scent – "Stash" by *Sex and the City* star Sarah Jessica Parker (*above*) – that piqued the feisty kangaroo.

FOR FAKE'S SAKE: But a royal wrestle would make excellent TV

RIFT: Wills and Harry have become frosty

PALACE flunkeys hope to heal the rift in the Royal Family with a televised *It's A Knockout*-style spectacular.

And courtiers hope that a MUD WRESTLE between the beloved Kate and the slightly less beloved Meghan will make the event TV gold!

Senior advisers at Buckingham Palace have watched with alarm as a gulf emerged between Prince William and his younger brother.

Drastic

Harry and Meghan have stepped down from royal duties, leaving the heavy lifting to be done by the heir to the throne and his lovely-haired wife Kate.

And with the Duke and Duchess of Sussex now resident in the USA, it's feared the rift could become permanent without drastic action.

Now a committee of senior advisers say that an updated version of *It's A Royal Knockout* would thrill Britain and the wider Commonwealth.

The original *It's A Royal Knockout* in 1987 starred Prince Andrew and his then-wife Fergie, theatrical Prince Edward and Princess Anne dressed in medieval outfits.

A royal source said: "The people need cheering up after this dreadful virus business and we need a way to get the Cambridges and the Sussexes talking to each other again.

"Some bright spark came up with the *It's A Knockout* idea. Bloody brilliant wheeze!

"With a bit of luck, we can get Kate and Meghan mud-wrestling. That would be very jolly."

But it seems that an out-of-touch royal staff made a big boob when they asked shamed TV presenter Stuart Hall to compere the show, as he did the original.

Since the first *It's A Royal Knockout*, Hall has been exposed as a big nonce who has served a jail term for his noncery antics.

Our source said: "It seems that an older member of staff who is not quite 'with it' asked Stuart Hall if he could compere the show, not realising he was a big paedo these days.

"There are understandably some grave concerns about a convicted kiddy-toucher being involved in the production.

"But we've asked him now and it would be bad form to say we've changed our minds.

"Very embarrassing. God knows what Her Majesty will think."

MONDAY

SCOTCH eggs become the unlikely focal point of a frenzied national debate – when two Cabinet ministers give differing views on whether the picnic staple should be classed as a "substantial meal" or just a starter.

Nicola Sturgeon weighs in next, demanding that we should ask the Scotch eggs to decide their own fate via a legally-binding referendum.

And finally Diane Abbott accuses hens of being racist because hers refuse to lay Scotch eggs, no matter how much sausage meat and breadcrumbs she feeds them.

TUESDAY

A HUMBLE Tuesday is dubbed "V Day" as we become the first country to approve the use of a vaccine against Coronavirus.

It's similar to VE Day in 1945 – only this time nobody seems too keen on grabbing a random nurse in the street for a celebratory snog.

I mean, we're happy to oblige...but she'll need to take a test first.

Partly to prove she's COVID-negative and partly to prove she's comfortable with having something shoved down her throat.

WEDNESDAY

AILING department store Debenhams finally goes bust – and re-opens with a so-called "fire sale".

That seems like a very rash decision.

The average Debenhams customer is clad in 70 per cent nylon and 30 per cent polyester. Neither they nor their mobility scooters should be allowed anywhere near a naked flame.

THURSDAY

THE first batch of the newly approved COVID vaccine arrives in the UK but the logistics are tricky as it needs to be stored at 70 degrees below freezing.

Thankfully my parents are not having visitors this Christmas so they've offered up their box room.

While some Brits are nervous about taking the vaccine, the Health Secretary Matt Hancock says he's willing to take a jab on live TV.

Excellent idea.

We nominate Tyson Fury to deliver it.

FRIDAY

THE ITV series *I'm A Celebrity... Get Me Out Of Here!* comes to an end for another year.

It must have been really tough for the various stars to spend three weeks isolated from their families – forced to take cold showers and sleep on a rickety camp bed.

Although presumably Vernon Kay got used to all that after Tess caught him sending messages to glamour girl Rhian Sugden.

SATURDAY

THE veteran rapper Snoop Dogg is offered a whopping MILLLION dollars to commentate porn films for blind people.

The offer was made after he did a brilliant job of commentating last weekend's boxing match between Mike Tyson and Roy Jones Junior.

It's an unusual career path but boxing and porn arn't so different – most people are mainly watching to see how the two burly chaps enter the ring.

THIS WEEK: TRANS PEOPLE BREASTFEEDING CONTROVERSY

MENTAL illness, that's what these "transsexuals" are suffering from. Mental bloody illness!

And where do we put people with mental illnesses? In the institutions, that's where!

THE British branch of the La Leche League charity should be congratulated for their forward thinking and challenging of outdated gender stereotypes by allowing this at their meetings.

My partner and I often experiment with alternative gender roles at the "Challenging Toxic Masculinity" workshop we attend each month.

I THINK that the young people today are very much more open to this sort of thing than people were when I was younger.

In fact, I invited some young people to my flat last week for a few nibbles and a bit of cider.

Oooh, they are open to all sorts of things.

The little rascals.

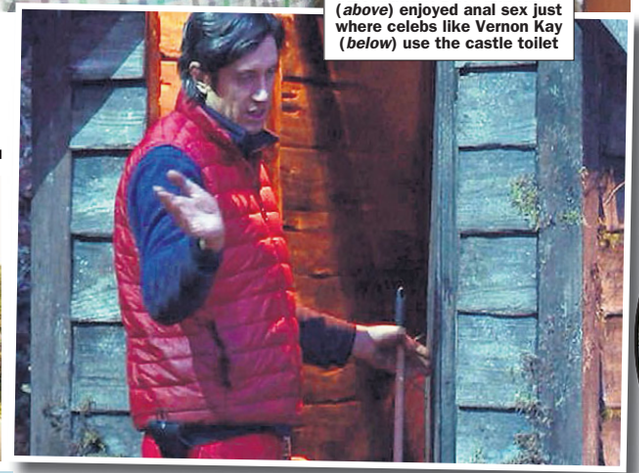
No1 FOR I'M A CELEBRITY Get Me Out Of Here! ++ No1 FOR I'M A CELEBRITY Get Me Out Of Here!

We did it up the BUM by the castle shitter!

SEX GAMES: Dave and Karen (*above*) enjoyed anal sex just where celebs like Vernon Kay (*below*) use the castle toilet



WHEN Dave and Karen Hughes sat down to watch *I'm a Celeb* this year they were filled with happy memories...

By JANET SEABROOKS
news@sundaysport.co.uk

Because they once had ANAL SEX in the Welsh castle where it's filmed.

The pair, both 32, from Hoylake, Wirral, spent their honeymoon in a caravan in Rhyl – just a few miles down the coast from the set of the ITV reality show.

And on a visit to Gwyrch Castle they decided to get frisky and sneak a quick bum sex session – just where the ITV celebs' toilet is set up.

Dog-groomer Karen said: "We thought a fortnight in Rhyl would be romantic as it's where we met, on holiday with our families aged 13.

"But it was a huge mistake. It's really not what it used to be. We were sat feeling a bit down in our caravan when Dave came up with an idea.

"We called it the North Wales sex challenge – the idea was to shag at every tourist attraction in the area.

"We started with a blowjob at Colwyn Bay Mountain Zoo, then did it doggy style on the Great Orme, I sucked Dave off in Rhyl Sun Centre and he licked me out in Conwy Castle.

"But the best thing we did was at Gwrych Castle – when I let him do me up the arse.

"I wore a short skirt and before we left the car I lubed up and stuck a butt plug up me, so we'd be ready to get into the anal action quickly.

Passage

"We found a passage that looked onto a courtyard where there were no people around and, quick as you like, I bent over, whipped out the plug and Dave shoved his hard cock right up my bumhole.

"Anal always feels naughty anyway but doing it in public when you could get caught at any moment was a real turn on – I came immediately and it was only about a minute before I felt Dave unleash his hot spunk up me.

"By the time we got back to the car park Dave was hard again and after a wetwipe of his cock I climbed on and he spunked up my fanny.

"Afterwards we went for a walk on the beach at Abergele and it felt horny having spunk dripping out of both my holes.

"When we watched *I'm a Celebrity* we couldn't believe the place where Dave took me up the shitter was actually the celebrity shitter on the telly!

"He did me up the arse again that night!"

CASTLE LATEST

● *I'M a Celeb* babe Jess Plummer is set to make a MILLION quid by modelling underwear – thanks to her time on the reality show.

The 28-year-old (*below*) has a cracking figure, but due to the freezing Welsh weather fans were denied much of a glimpse of her body.

But that won't stop underwear firms beating a path to her door to offer her lucrative deals.

And it's thought the likes of Ann Summers will be first in line to sign her up to promote their racy gear.

But insiders says she would prefer to work with a less sexy knicker flogger – like M&S.

A source said: "Jess is a huge name now. Being in *EastEnders* used to be enough to launch your career, but these days less than three million people watch it.

"More than 14 million watch *I'm a Celeb* – so she's been exposed to a whole new audience.

"She wants something classy like M&S – but may be persuaded to do Ann Summers."

● FANS are campaigning to get a stand at Burnley FC's Turf Moor stadium named after Jordan North.

The Radio One DJ (*below*) is a huge Burnley footie fan and used his memories of his time watching the Clarets to get him through hard times in the castle.

Whenever he was struggling in a trial he would chant about going to his "happy place" – his memories of Turf Moor.

Now fans of the 30-year-old want the Lancashire club to commemorate Jordan by naming a stand after him.

One said: "Jordan is the most famous Burnley FC fan of all time.

"He has helped put the club back in the headlines and should be honoured by having a stand named after him."

Orgy bosses plan sex party at Celeb venue

POSH swinging bash organisers are hoping to take advantage of Gwrych castle's new-found fame and host a massive sex party there.

The North Wales castle has become a household name after it was used as the setting for this year's *I'm a Celebrity...*

And now Orange Excitement plan to rent the historic venue for their biggest ever party.

They normally hire luxury hotels and resorts for their £10,000-a-night bonkathons but now they want to take over the whole castle for a future event.

All guests have to be vetted before they are allowed to attend, but once they pass the tests and pay up they are able to take part in an anything-goes free-for-all sex festival.

Up to 250 people will be invited to the Gwrych castle event with no guest over 35 and only beautiful people allowed to attend.

Past events have seen people team up for group sex sessions, BDSM rooms, role play games and gangbangs.

An Orange Excitement insider revealed: "Hopefully this will be our first post-COVID party. If we can make sure that everyone who attends is vaccinated then we can all go wild.

"Gwrych castle will be the perfect venue – providing the owners say yes, which is not nailed on yet."

Orange Excitement are yet to approach the owners with their plans for a post-COVID sex party.

THE VOICE OF YOUR BRITAIN

We must rid our country of vile gangs

THIS newspaper has ploughed a lonely furrow with our campaign against the evil menace of the Albanian Shit Gangs.

These Balkan rascals, allowed to ply their revolting trade in our fair country because of Britain's woeful border controls, have run amok in our communities for years.

Millions have used public lavatories, unaware their deposits are stolen from the very sewers by cold-eyed criminals with no sense of basic hygiene or common decency.

But have you heard any reports of these outrages on the BBC?

Have our Fleet Street rivals – many of whom are owned outright by foreign corporations – reported on the scandal?

NO!

It has been left to Sunday Sport, a newspaper with very few allies at Westminster and scanty resources, to raise the alarm.

We can only guess at why our colleagues in the "mainstream media" have ignored and downplayed the peril from these gangs.

But now, the wider world MUST act!

We have learned that, deprived of stools by a downturn in public lavatory use due to the coronavirus lockdown, Albanian Shit Gangs have moved into the fake reindeer racket.

They are constructing bogus caribou by NAILING antlers onto the heads of sweet, innocent llamas.

What sort of depraved monster even thinks of such an abomination?

This scam strikes at the very heart of both the Christmas season and our decent, British love of animals.

The Lord God Almighty did not send his only begotten Son to Earth so that Albanian Shit Gangs could profit from such monstrous acts.

In the name of justice, of godliness and of humanity, these vile gangs need to be rounded out and ejected from our dear Queen's realm.

AS STARS CREATE BOY BAND SUPERGROU

BOYZ AND THE BOOBS!

BACK ANOTHER DAY: The ultimate boy band made up of (*left to right*) Dane, Ben, Abz and Shane

JUST when you thought it was safe to turn on the radio again, along comes another boy band.

Except look a little closer and you'll realise Boyz on Block are almost old-timers in the fickle world of pop.

The four piece are made up of past boy band faves Another Level's Dane Bowers, Boyzone's Shane Lynch, 5ive's Abz Love and Phats and Small's Ben Ofoedu.

And they're aiming for the Christmas No.1 slot after releasing a cover of East 17's *Stay Another Day* – 26 YEARS after it originally topped the festive charts!

By SUZIE SHELDON
news@sundaysport.co.uk

The Boyz are even doing it with help from the man who wrote it, East 17 star Tony Mortimer.

Ben said: "Tony loves it. We were blessed to have him involved.

"Once you get the nod from the original creator of the song, and knowing what that song means to him, was just the most amazing thing."

Of course, the lads, who formed their new group in July 2019, used to have massive female followings and certainly made the most of it at the time.

Here, we take look back at some of their most famous conquests…

DANE BOWERS (ANOTHER LEVEL) & SOPHIE CAHILL

ANOTHER Level star Dane, 40, was spotted cosying up to his ex, Sophie Cahill, three years ago. They were spotted cuddling at the luxurious Jumeirah Beach Hotel in Dubai – just weeks after Dane was spotted in close conversation with another ex, Katie Price, at a business event.

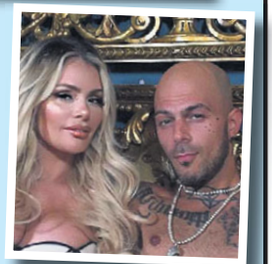
UP TO RECORD E17'S STAY ANOTHER DAY, WE LOOK AT...

SHANE LYNCH (BOYZONE) & VICTORIA HERVEY

BOYZONE'S self-styled bad boy Shane Lynch once had a fling with super-posh It Girl Lady Victoria Hervey.

The pair, both now 44, hit it off in 2001 when they met on the celebrity circuit, with the lucky Irishman reportedly bagging the most eligible socialite in London.

ABZ (FIVE) & CHLOE SIMS



TOWIE beauty Chloe took to Instagram in 2017 to share a pic with her 982k fans as she posed in bed with former 5ive singer Abz, 41, while she was sporting just a bra. Chloe, 38, captioned the pic "slumber party", in the post that came a day after Abz's ex wished her luck due to his "cheating" ways.

BEN OFOEDU (PHATS & SMALL) & VANESSA FELTZ

HE is the lead singer of electronic dance duo Phats & Small, known for the 1990 smash hit *Turn Around,* while she's the TV and radio star presenter who at 58 is some 10 years older than him.

But Ben, 48, and Vanessa have been together more than 17 years after they were introduced by their joint pal, Boyzone's Keith Duffy.

DANE BOWERS (ANOTHER LEVEL) & KATIE PRICE

DANE slammed Katie earlier this year for STILL talking about their infamous sex tape saying he was amazed the ex-glamour model had brought up the X-rated clip. The tape, which showed Dane performing a sex act on heavily pregnant Katie with his big toe, recently popped up on PornHub, where it racked up around 500,000 views.

Not forgetting the lad who made the song a hit in the first place...

BRIAN HARVEY (E17) & EMMA B

BRIAN, 46, had a troubled time after he was dumped out of East 17 for admitting taking Ecstasy.

He found love with glamour girl Emma, now 41, back in the day, but the relationship was up and down and eventually floundered.

Perv faces jail for sex with aunt's dog video

A PERVERT faces jail after filming himself having sex with his aunt's pet DOG.

A criminal complaint was filed against Bryan Buscemi, 41, which alleged he "knowingly engaged in sexual contact with an animal" on July 6.

Buscemi, of Homer Glen, Illinois, has been charged with making contact with a canine for the purpose of sexual gratification.

An investigation began when the sheriff's office received a report from the Arlington Heights Police Dept over a sexual abuse allegation made against Buscemi by a family member.

Detectives determined the allegation was unfounded but Buscemi made statements to them about his sexual fantasies, and that the only fantasy he ever acted on was a sexual act with a dog.

Buscemi recorded a video of a sexual act he committed with a small dog named Maggie that belongs to his aunt, and the clip was viewed by cops on the case.

Judge Art Smigielski signed a warrant for Buscemi's arrest.

He's currently being held at the Will County jail and faces up to three years in prison.

Animal shag breeders face ruin over ban

A BAN on live animal exports would "decimate" Britain's breeding-for-bestiality trade, ministers have been warned.

Sending live animals abroad for slaughter and fattening will be banned in England and Wales under new plans.

And Environment Secretary George Eustice said the ban could be in force by the end of 2021 in a post-Brexit break from EU trade rules.

But shadowy breeders who rear beasts for the overseas bestiality market say they'll be caught up by the ban.

One breeder, who raises "very sexy" sheep and goats, said that the move would "ruin" him.

The breeder, who asked to remain anonymous for fear of reprisals from animal rights extremists, said: "This is another case of hasty law ruining a vibrant British industry.

"Hundreds of live animals are sent from Britain for the overseas animal sex trade and the industry supports literally dozens of jobs.

"We urge ministers to think again and grant an exception for this important part of Britain's export market."

Hypothermia nookie pair want compo off Hancock after he BANNED indoor sex

BLAMED: Hancock

UNLUCKY IN LOVE ACTION: Becky and Mark and (below) the freezing lane they romped in

THE path of true love never runs smoothly...

And that's certainly been the case for Mark Saunders and Becky Green, who became KNOTTED and hypothermic after an outdoor tryst.

And they blame health secretary Matt Hancock for their sexual mishap.

Illicit

The pair became smitten after meeting on a Community Payback scheme in March, just before the first lockdown.

Since then, they have snatched illicit moments of love, frustrated that rules banned them from having sex as they did not share a home.

The pair, of Morpeth, Northumberland, thought they would be home free at the end of Lockdown #2 but then Mr Hancock dealt them a hammer blow.

The ill-starred health chief confirmed that couples in Tiers 2 and 3 would still be banned from indoor nookie if they were not living together.

Seeing a way through the bureaucratic tangle, Mark and Becky decided to have sex OUTDOORS in a lovers' lane near their respective homes.

By REX ROWLANDS
rex@sundaysport.co.uk

Unfortunately a combination of freezing temperatures and cramped limbs in Becky's Fiat Punto led to disaster.

Mark, 28, explained: "I got cramp in my thigh and yelped out in pain. That shocked Becky and her vagina clamped shut on my erect penis.

"We were well and truly knotted!

"We were stuck there for two hours until some doggers spotted us and raised the alarm.

Suffering

"We were both suffering from mild hypothermia by the time the paramedics arrived."

Becky, 24, added: "It's all Matt Hancock's fault. We want compo!"

A HIGH School teacher is under investigation after he was allegedly caught naked and furiously masturbating on a video conference call.

A complaint was made about him after a Google Meet call, cops say.

It is not known if there were any students or other teachers on the call or if the man intentionally exposed himself.

No further details have been made available and the name of the teacher who worked at Tottenville High School in Staten Island, New York, has not been released.

He was immediately reassigned away from students pending the outcome of the probe.

It's all Wight for sex-crazed OAPs

PENSIONER swingers on the Isle of Wight are "shagging each other senseless" after the county was put in Tier 1.

A 'sex ban' is in force for couples living apart in both Tier 2 and 3 areas but the Isle of Wight has escaped such restraints.

And the island – home to thousands of retired folk – has seen a boom in wrinkly romps.

Graham Patterson, secretary of the Shanklin and Ventnor Senior Swingers Association, said: "In recent years we've seen our membership increase as more over-70s realise they are not on the sexual scrapheap.

"And with the Isle of Wight being in Tier 1, it means casual hook-ups are allowed here and locals are taking full advantage of that. We're shagging each other senseless down here!"

Kiddie eater: let me out of jail or COVID will kill me!

A BRITISH gutbucket imprisoned in the US for plotting to torture and then EAT children has whined he wants to be released – in case he catches coronavirus.

Morbidly obese Geoffrey Portway, 47 (*above*), who's at higher risk from COVID-19 due to his weight, penned a handwritten note begging to be deported from his cell in Virginia to England.

He was jailed for 26 years after cops found a child-sized homemade coffin, butchery and castration kits and a metal cage in a torture dungeon under his home in Worcester, Massachusetts.

The begging note went on to claim jails in the States have become super-spreader institutions, as well as the ever-growing number of coronavirus cases in the country.

A judge will now decide if Portway – who confessed to paedo pals online how he fantasised about killing and eating children after violating them – should be deported at a future date.

BURNING DESIRE

COPS burned a pile of 500 DILDOS after a raid on a warehouse in Bandung, the capital of West Java province – as sex toys are banned in Indonesia.

Chess hit Queen's Gambit babe Anya bares her bum

By JAYNE FERGUSON
news@sundaysport.co.uk

A SERIES about an orphan who is dead good at chess and becomes a drunkard does not sound like a winning formula.

But *The Queen's Gambit* is a huge Netflix hit – and led to a surge in numbers taking up chess!

The drama, which follows the rise of oddball prodigy Beth Harmon – played by Anya Taylor-Joy – has been viewed by 62 million households during its first 28 days of release.

And while *The Queen's Gambit* may be 24-year-old Miami-born actress Anya's biggest role to date, it's not her first rodeo.

Curves

And in previous roles she has worn a LOT less!

In the 2015 flick *The Witch: A New England Folktale*, Anya was seen STARK NAKED walking in a wood.

And in this year's comedy drama *Emma*, she wore a night-dress that was practically see-through, revealing the perfect curves of her fine busters.

ROOK ME! Anya put on perky display in *Emma*

REAR-LY GOOD MOVE: Anya bared all in woods

Miley: I have FaceTime sex – but I'm not sucking Dua Lipa's minge!

MOUTH-watering pop babe Miley Cyrus has spilled the beans on her live-streamed fingering during lockdown.

The 28-year-old said: "I do a lot of FaceTime sex – it's the safest sex – I'm not getting COVID-19.

"I am definitely not going to be doing anything that's irresponsible for myself, or for other people.

"It's just ridiculous for anybody that won't take the right precautions to keep each other safe… it's f**ked up."

The *Wrecking Ball* star also made it clear she did not jump into bed with her British music collaborator Dua Lipa, 25, after US radio host Howard Stern said "it looks like the two of you are having full-on sex" in their steamy music video for *Prisoner*.

In the vid, Miley and Dua get quite hot and heavy with each another and Dua even licks Miley's face.

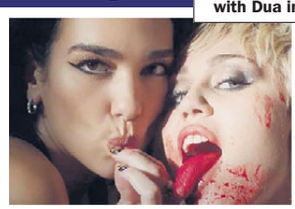
But Miley said: "We did not have sex. Dua Lipa constantly reminds me. She gives me the 'in your dreams'."

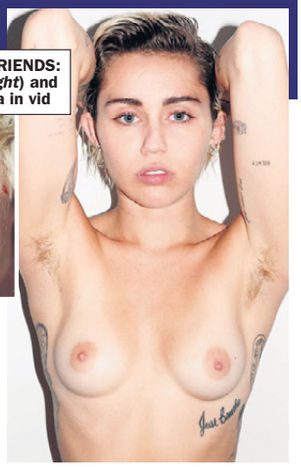
Wet

Miley added: "I've never actually had a wet dream about Dua. That's something that she's projecting onto me.

"I did not get to have sex with her, unfortunately.

"I don't really wanna f**k Dua that much. I think I know her too well as a friend.





LES BE FRIENDS: Miley (*right*) and with Dua in vid

"But I definitely like kind of pretending that we have, because it ends up getting us a lot of views on our music video.

"OK… I kind of want to f**k her… like, five percent.

"The more and more I'm thinking about it, I kind of do."

AS HIGH STREET CLOTHING GIANTS COLLAPSE...

CHANGING ROOM FLASHERS!

3-PAGE SPECIAL

By SIMON DEAN
simon@sundaysport.co.uk

DOROTHY Perkins, Evans, Miss Selfridge, Topshop – the collapse of the Arcadia Group looks set to rob the High Street of some of its biggest names.

And the collapse of the 242-year-old Debenhams chain ris a big blow too.

Add Peacocks and Bonmarche to the mix and you see that it is a real massacre of the High Street with clothing firms – and those who work for them – taking a very hard hit.

With no pubs or parties to go to, ladies have slashed their spending on new frocks and such.

And that has resulted in the mayhem we see.

But with no clothing stores, there are no changing rooms.

And with no changing rooms, there will not be ladies taking naked selfies in changing rooms.

Now that IS a disaster!

To cheer us all up, here are some saucy selfies taken in changing rooms BEFORE the High Street Apocalypse…

DISHY Danielle Seddon is gutted that some of her fave shops are disappearing.

The 24-year-old from Barnet, north London, said: "It's like losing old friends.

"I remember going into the likes of Topshop to get new clothes for parties as a teenager and I've been popping back ever since.

"Of course these days I'm more famous for NOT wearing clothes than wearing them."

The 32C cracker admits she has been known to take a nude selfie in the changing rooms.

She said: "I'd take a little snap and send it to my boyfriend – just to make his day!"

LOCKDOWN BUSTERS!

The topless babes who've said KNOCKERS to the COVID rules

By SIMON DEAN
simon@sundaysport.co.uk

OH dear! It seems that the COVID rules don't apply if you're rich and famous – until you get caught!

Rita Ora said last week she was "deeply sorry" for breaking lockdown rules to celebrate her 30th birthday.

The singer says she attended a party at a top restaurant in west London on Saturday.

"Given the restrictions, I realise how irresponsible these actions were and I take full responsibility," she wrote in a statement.

It was reported that up to 30 people were at the party, although she described the event as a "small gathering".

Risk

It was also reported that sexy Cara Delevingne was also in attendance.

Rita says it was a "spur of the moment" decision.

"I'm deeply sorry for breaking the rules and in turn understand that this puts people at risk," she posted.

"This was a serious and inexcusable error of judgement."

Earlier this year, Rita – whose mother is a health worker – launched a range of coronavirus-themed merchandise including a 'Stop the Spread' T-shirt designed to encourage people to do their bit to suppress the virus.

But Rita is not the only boob-baring babe to have angered fans – and the self-appointed guardian of the country's health, gobshite Piers Morgan – by playing fast and loose with the regulations...

KIM KARDASHIAN

A GLOBAL pandemic was never going to stop Kim Kardashian telling the world how rich and wonderful she is.

Kim spent $2million flying 30 of her family and friends to a private island where they thoughtfully posted pictures of themselves having fun.

They were not socially distanced or wearing masks.

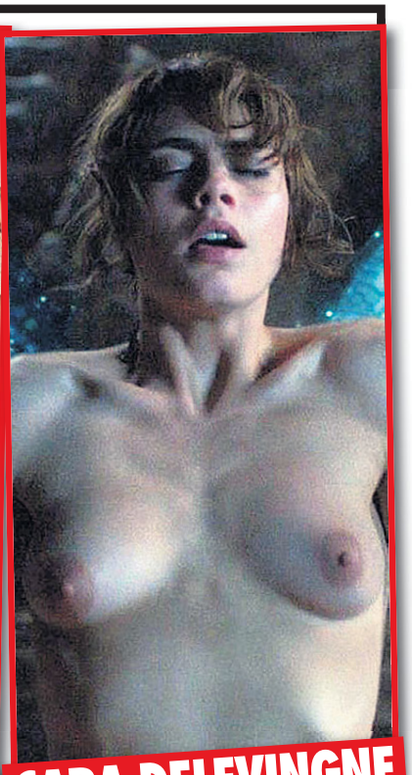
She gushed: "I feel humbled and blessed. I'm humbly reminded of how privileged my life is."

There was a bit of a negative reaction online and fat-faced pompous Piers Morgan dribbled in the hate-filled Daily Mail: "No luv, you just arrogantly reminded us of how vacuous and self-absorbed your life is."

RITA ORA

DEEPLY SORRY: Rita apologised for attending her birthday bash

CARA DELEVINGNE



KENDALL JENNER

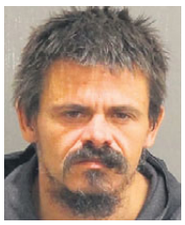
KENDALL Jenner threw an even bigger 25th birthday party for 100 people in West Hollywood.

The model and reality star, dressed as Pamela Anderson's *Barb Wire* character, had a star-studded gathering at Harriet's Rooftop at 1 Hotel.

Guests were warned 'No social media' ahead of the bash but, as these things do, the party appeared all over it.

Twitter went wild after seeing the snaps, with one user writing: "OK Kendall Jenner blowing out candles as a masked waiter holds her cake and tries to move out of the way was actually the scariest thing I ever saw on Halloween."

It's believed sanctimonious arsehole Piers Morgan needed a lie down in a darkened room, so angry was he.



Nude burglar smeared shit all over walls

A HOMEOWNER returned from a trip to find a NAKED man inside his house, the living room walls smeared in SHITE and rotting food all over the floor, cops say.

Police called to a reported burglary at the home arrived and found the back door open.

Once inside, they said they located a naked man, identified as Carl Perry (*above*), 38, who was taken into custody.

An arrest warrant states that when the resident returned, he said he found the home in disarray, with every piece of furniture in every room "damaged beyond repair."

Officers observed "faecal matter" on all of the walls and rubbish thrown everywhere.

There was food rotting on the floor and the microwave above the stove had melted.

Perry had entered through an unlocked window or door at the home near Vanderbilt University in Nashville, Tennessee.

He was arrested and hauled off to the lock-up.

'Stay home,' says mayor on holiday

A HYPOCRITE mayor issued orders for residents to stay at home – while he was on holiday in Mexico!

In a Facebook video message, shameless Steve Adler, the mayor of Austin, Texas, told folk not to travel amid surging coronavirus infections.

He warned: "Our numbers are increasing and everybody has to be aware of that and we need to, you know, stay home if you can.

"Do everything you can to try to keep the numbers down. This is not the time to relax."

But Democrat Adler, the mayor of Austin, Texas, failed to mention that he was dishing out the advice from a sunbed in Cabo San Lucas, which reached by a private jet.

Adler later confirmed that he was in Mexico following his daughter's wedding in Austin.

Keir Starmer Llama stolen by Albanian shit gang reindeer fiends

LOOKALIKE: Real Keir

FEARS: Keir the llama may have been passed off as a reindeer by vile Albanian blackguards

CONMEN ADD FAKE ANTLERS TO BEASTS TO DUPE XMAS FANS

ALPACA LIES: But reformed shit gang boss Enver Dervishi says con goes on

A LLAMA named after Labour boss Keir Starmer has been stolen – and it's feared he may have been taken by ALBANIAN SHIT GANGS in a fake reindeer scam.

South American camelid Keir was rescued from a farm in Warminster, Wilts, earlier this year after *Sunday Sport* exposed then-owner Tom Boston as a llama sex fiend.

BUMMER: How we exposed pervert Boston

By BARNEY SAMUELS
news@sundaysport.co.uk

He was rehomed at a sanctuary in Devon with more of his own kind and was making "good progress" after his ordeal.

But now he's gone missing and it's feared that fake antlers may be nailed to his head and the poor beast sold as a reindeer.

Sanctuary owner Marjorie Wilson said: "After all that poor llama's already been through, this is just awful."

We reported how Albanian shit gangs, who steal faeces from public lavatories, have been diversifying due to a plunge in the use of municipal lavvies during lockdown.

And one of their new wheezes is to pilfer livestock, nail antlers to their heads and sell them as Santa-style reindeer.

Marjorie said: "There have been sightings of vans with Albanian number plates and there have been reports of llamas and alpacas being stolen and passed off as reindeer.

"We can only hope and pray that Keir is found soon and brought home safe."

Last night reformed shit gang leader Enver Dervishi, who now runs a rehab for Albanians who have broken free of shit gangs, said: "Alas, this is happening. These boys are brainwashed.

"If they think that stealing shit from a public lavatory is OK, they would not think twice about nailing antlers onto a llama. It is sad."

Meanwhile, we are happy to report that llama-bumming beast Tom Boston is no longer a danger to animals.

After he was exposed by *Sunday Sport* and expelled from the European Llama League, he hurled himself in a septic tank.

The coroner recorded an open verdict.

Oh deer! Hunter shoots man dead by mistake

A FATHER out hunting was shot and killed by another hunter who had mistaken him for a DEER, say police.

Lukas Dudley (*left*), 28, was himself hunting deer when he was fatally shot by Rain Stately, 33.

Dudley and Stately were not hunting together and the victim wasn't wearing typical orange or other high-visibility clothing, police said.

Stately told authorities that at around dusk, he "observed movement of what he thought was a deer and fired one round from his rifle."

When he discovered that he had shot Dudley and not an animal, cops say Stately immediately called the emergency services.

He is cooperating with a police investigation into the incident in Red Lake Reservation in Nebish Township, Minnesota.

Local man Dudley, who worked as a logger, had a fiancée and three children, "enjoyed hunting, fishing, being outdoors and cooking," an obituary at a funeral home said.

"He loved his family and friends."

BRITISH AIRWAYS

10 things you might not know about BRITISH AIRWAYS

WHAT a hell of a year BA has had!

Last month it was announced that the battered-by-COVID airline was selling off thousands of items of surplus stock – from champagne flutes to bedding – in a bid to raise much-needed funds.

Now the airline has launched a probe into claims a mystery stewardess has been advertising for sex in between flights.

The air hostess is thought to entice clients by taking racy shots of her uniform mid-air and sharing them on social media.

She is also believed to be selling her knickers online and offering 'on-board adult entertainment' to anyone willing to pay.

But apart from a precarious balance sheet and naughty cabin crew, what else do we know about BA?

Here are a few facts you may not know…

1 **BEFORE COVID ruined everything, a British Airways aircraft took off or landed somewhere in the world on average every 90 seconds.**

2 BA was created in 1974 by the merger of the British Overseas Airways Corporation, British European Airways, Cambrian Airways and Northeast Airlines.

3 **THE carrier expanded with the acquisition of British Caledonian in 1987, Dan-Air in 1992, and British Midland International in 2012.**

4 INTENSE rivalry between British Airways and Virgin Atlantic culminated in BA being sued for libel in 1993, over a so-called "dirty tricks" campaign. They lost and it cost them over £3.5m.

5 **ON May 18, 2012, BA flew the Olympic flame from Athens International Airport to RNAS Culdrose.**

6 ALONG with Air France, BA operated the supersonic Concorde. In November 1986 a BA Concorde flew around the world, covering 28,238 miles in 29 hours, 59 minutes.

7 **BA is partners with renewable fuels firm Velocys to design a series of plants that convert household waste into jet fuel to power its fleet.**

8 BA were, in 1996, the first company to come up with the idea of fully reclinable beds.

9 **THE musical theme predominantly used on BA's advertising is *The Flower Duet* by Léo Delibes. This, and the slogan "The World's Favourite Airline" were introduced in 1989.**

10 IN 1997, there was a change to a new livery. Many spoke out against it, including former PM Margaret Thatcher, who famously covered the tail of a model 747 at an event with a handkerchief.

Happy BUFFday Corrie!

Robyn Alexandra says...

ROBYN Alexandra grew up in a Manchester street just like *Coronation Street*.

She said: "The good thing about *Corrie* is that it's so true to life.

"You could put your head outside our front door and hear people having conversations just like you hear on the telly.

"Corrie is my fave soap, bar none, and if I've been away on a modelling assignment I watch the ones I've missed on catch-up.

"I've tried watching *EastEnders* but I can't understand what they're saying."

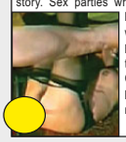
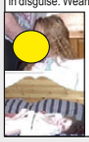
AY-107 : DEVINE DECADENCE
Full length 1980's film. Not the best print but a good story. Sex parties where the host is verbally humiliated by his beautiful wife. Young studs are blindfolded and used by the female guests. Typical Californian wealthy lifestyle of the undeserving rich.

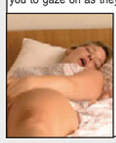


AY-108 : GEORGE AND GIRLS
He's back, the George Clooney look-a-like but he is in disguise. Wearing the gorilla suit. one of George's fetishes. And, they all seem happy to do the business for George. One very tall girl and a few reasonable looking one's. If you like seeing an old man with young girls (18+) then this should be for you. It's not recent as there are no tatoos. However; there are identical twins.

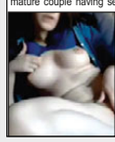


AY-109 : ORGASMI TRANSEXUAL
1hr 25mins. Made on location. Possibly Dominica or somewhere else that has Spanish as its language. Starts with street pick-up of what looks like a rather gaudy blonde tart He wants a threesome and she/he recommends a lithesome brunette. If you like this stuff? This is a good one. Very convincing trannies and extremely horny sex. 3 films.

AY-116 : I FEEL MY SELF - TWO
These films are SO sexy! There they are, laid out for you to gaze on as they pleasure themselves. The tattoos and marks are a bit hard to take. But the intensity of the sensations on their faces makes you desperate to join them. Eight short films, including outdoor and lesbian but most is shot in the privacy of their bedrooms. About 60 mins.



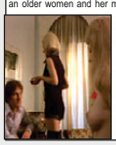
AY-110 : TIMES FIVE, THREE
Variable quality. five films, Total 1hr 24mins. First up is a mature couple having sex on the sofa. Then a woman dominates her boyfriend and his girlfriend. Then, promo film showing two attractive girls sucking cock. A black couple. Then, a young woman wearing glasses is bonked by her boyfriend (she's got great tits). And lastly, a pretty girl plays with herself for 35mins.



AY-111 : BIRDS ON BIKES
In the lexicon of love, there are leg men, tit men and, pussy men (but that's another story) This is for Arse men! Those who salivate at the sight of a large, wobbly, well-formed backside. These girls may have the brains of a fruit fly but they have the equivalent of an Einstein of an Arse. We don't quite know why they all first appear on a bike but what we do know for sure is that those shorts are coming off! And we are going to have sight of that large fleshy fundament.

AY-112 : SEX MACHINES
We sure there is a queue at the door begging to try this adapted technology. In essence, what happens is; an electric motor powers a steel rod that pushes a plastic dildo up between the bomb doors. Obviously, large amounts of lubricant are required but, she does not have to kiss a frog, lie in the wet patch, cook a meal, whisper inanities in the shell-like of the squeeze of the moment. So, for the time pressed female executive or, the easily bored, get rid of the rowing machine and replace it with the sex machine.

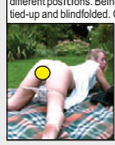
A186 : THE IMAGE
A superb film of a sadomasochistic relationship between a girl, an older women and her male partner. Filmed in Paris and hailed as one of the best erotic films of its time. Digitally remastered from 35mm negative. The quality is excellent. This is an uncut, uncensored English language copy. Worth watching just for the restaurant scene of eating olives that have been taken from this beautiful girls pussy. The female star is an ex. Playboy model.



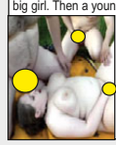
A144 : SIMPLY SONIA
Sonia is a well preserved mature lady inviting you to enjoy the intimate pleasures she has to offer. She enjoys bondage, stockings and knows how to please a man with discerning taste. You know where you are with the older woman. She knows what you want and ensures that you get it.

AY-114 : SEX IN THE DUNES 1 & 2
Don't get too excited. These aren't 'golden youth' but somewhat older and pudgy. Stroking, sucking, fondling and all whilst crowds of beach lovers are blithely strolling about in amongst them. Shocking! But you can't help looking. So, if you like your sex a bit on the ripe side, this should be for you.

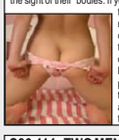
A107 : KIM
For nearly 60 minutes Kim simulates having sex in many different positions. Being persuaded. In a garden shed, tied-up and blindfolded. On a rug in the garden. She is a truly lovely looking girl, with her slim, curvy figure and beautiful pale white skin and full young breasts. She also proves to be quite athletic on the swing. You'll enjoy every minute you spend with Kim. Whatever happened to her? She went to Oz.



C86-110 : CHUBBY PLUMPERS
Starts with an early Rodney Moore clip of a very big girl. Then a young lady that takes a shower and performs with several blokes. She also has musical skills of a sort. Then the Welsh girl who seems to turn up everywhere. This is quite a good selection of the more Rubinesque figure.



C86-106 : KNICKERS DOWN, TITS OUT
These young women are bored at home so decide to display their assets on the WWW. They obviously get turned on by the sight of their bodies. If you've got great tits or a nice arse then why not share them. We've no objection to that. These chicks are not shy. Pulling up the tight top until those puppies fall out. Slowly pulling down the knickers to reveal that juicy soft pussy. Dreaming about the boys that might get to give the bishop a good seeing too at the same time.



C86-111 : FAR EASTERN PORN
We suspect this material is Korean. Some has been dubbed into English. Several long sequences; one features the making of a porn film and then clips from costume dramas. Lastly, several clips showing more graphic material. Some of this looks to be quite elaborate and expensive. The quality is variable. The females are all very pretty with that doll-like look that you get with Japanese porn.

C86-114 : TWO MEN AND ONE GIRL 18+
You know how it is. Sex with her indoors is getting a bit samey so why not phone a friend. Here you have various scenarios where two men share the same woman. She of course has no objection. And here we see just how many times many women can be brought to orgasm. Which some men find a tad tedious to keep on banging away knowing that footie is about to start on the box. So, it's a great to have some help on hand.

C86-119 : JOHN SMITH PRESENTS GAY BOYS 18+ We've no idea who John Smith might be but that's the title of this little gay epic. Lighthearted fun and games in the world of young gay sex.

DEANO ON SUNDAY

It's come to this... bloody Scotch eggs!

THE following words rattled off the Press Association ticker tape at Sunday Sport Towers on Tuesday: "Cabinet Office Minister Michael Gove said he considered a Scotch egg to be a starter, after Environment Secretary George Eustice said the snack would constitute a 'substantial meal'."

Minutes later, we got the momentous tidings from Britain's leading news agency that Mr Gove had in fact changed his tune and declared: "A Scotch egg is a substantial meal."

That is where we are at, people.

The Minister for the Cabinet Office, widely seen as one of the top men in the Cabinet and paid YOUR MONEY to run the country on our behalf cannot decide if a Scotch egg is a "substantial meal" or not.

To be fair, Mr Gove has form for changing his mind.

Aftermath

In the aftermath of the Brexit referendum, he decided Boris Johnson was "not capable" of taking the country's top job.

By 2019, he declared that Boris would be a "great Prime Minister".

But that aside, Mr Gove's flip-flopping on f**king Scotch eggs shows the rabble at the top of British politics to be way, way over their heads.

This bloody pandemic, combined with a shower-of-shit Government and an Opposition who are more interested in squabbling among themselves than, er... opposing, has left what was once the best-run country in the world an utter shambles.

I'd have more confidence leaving Rolf Harris to run a soft play area than having this bunch of lightweight losers running our magnificent nation.

And we REALLY trust these chancers to deliver a vaccination programme to the entire country?

I would not blink in surprise if we got to the end of this and found that Matt Hancock's department had mistakenly injected the British population with Vimto.

Passports

And now there's talk of us all being issued with "vaccine passports" – which will allow us to go about our normal lives, only if we can prove we've had a jab.

For the love of f**king God! That's going to be a licence for every tiny-dicked c**t in a peaked cap to demand to see our "papers" at every step.

Tell you what... why not go the whole hog and publicly identify those who haven't had their vaccine?

Maybe a yellow star sewn on your clothes would do the job?

I've said it before and I'll say it again – we're sleepwalking towards dictatorship.

And it'll be a dictatorship of dunces.

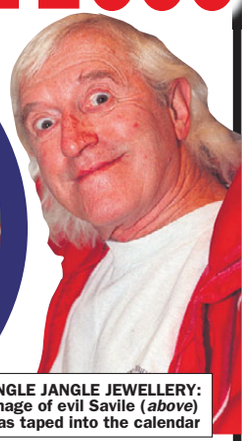
ADVENT CALENDAARGH!!!

Fiends put pic of meganonce Savile in kid's festive novelty

INNOCENT: Rhianna is thankfully too young to know who Savile is



JINGLE JANGLE JEWELLERY: Image of evil Savile (*above*) was taped into the calendar

FOR kiddies, December is an exciting time as it's the month that heralds Christmas.

And what better way for tots to count down to that festival of gifts than an advent calendar?

But mother Glenda Harper was left feeling PHYSICALLY SICK when three-year-old daughter Rhianna opened the number 3 door on her calendar on Thursday.

Not only was the promised chocolate treat missing – there was a picture of dead meganonce JIMMY SAVILE inside!

Glenda, 26 – who caught the horrifying moment on camera as she posts a vid of Rhianna opening her calendar each day on Facebook – gasped: "I was horrified!"

By JANINE AYRE
news@sundaysport.co.uk

Glenda, of Slough, Berks, added: "Her little face fell because there was no chocolate behind the door.

Foreign-made

"I thought it must be a manufacturing fault and I cursed myself for buying a foreign-made advent calendar instead of a decent, British one.

"But when I looked more closely, there was Jimmy Savile looking back at me!

"You expect a picture of a robin or a snowman or some presents – not a notorious kiddy-fiddler!"

"It was clearly added after the calendar was made – by some sick prankster with a warped sense of humour.

"Mercifully, Rihanna has no idea who Jimmy Savile was."

Savile, who died in 2011, dodged justice for his sick antics thanks to a sprawling conspiracy involving MI5, senior politicians and Royals, the Vatican, the Israeli secret service Mossad, Freemasons and shadowy international financiers.

THAT'S NET FUNNY!

26 held naked in 3-bed house

A GROUP of suspected hostages were found half-naked by police in a smuggling operation.

Around 25 men and one woman were rescued by cops after reports of a naked man running down the street yelling for help.

Officers say they heard a loud bang as they approached the home, where they arrested three people.

As the half-naked "captives" were escorted out by cops, neighbours handed them their clothes to warm up.

Most of the people found inside the locked house, with boarded up windows, reportedly told police they were being held against their will.

People were found in every room of the three-bedroom house, say police in Houston, Texas, who called for help from immigration authorities.

Airport bogs spycam perv 'trying to film pretty girls'

AN airport worker is heading to jail after secretly filming women using the bathroom there – later telling cops he "was trying to video pretty girls".

Samuel Rodriguez, 39, was sentenced to six months for turning a single-stall bathroom "into his own personal peep show," prosecutor Melinda Katz said.

He admitted preying on individuals by setting up his phone to record females at LaGuardia Airport in New York.

The perv was foiled by a would-be victim after she heard his mobile beep while it was recording inside a paper towel dispenser.

She found footage showing Rodriguez angling the gadget to capture anyone using the toilet opposite the dispenser.

Confronted by police, Rodriguez admitted the crime and apologised, telling them: "I was trying to video pretty girls – I was going to masturbate to it at home."

Rodriguez pleaded guilty in September to unlawful surveillance, and will also be required to register as a sex offender upon his release from jail.

Pollution takes the lead out of otters' pencils

BOFFINS have warned pollution is contributing to decreased bone strength in male otters' COCKS.

A study has warned the findings could have broader consequences for wildlife – and human health – in the oilsands of northern Alberta, Canada.

Philippe Thomas, a wildlife toxicologist with Environment and Climate Change Canada, said: "We've demonstrated how the bone health measure, the penis bone, is tied to exposure to certain trace elements and to hydrocarbons."

The male river otter has a penis bone – or baculum – that is long, curvy and slender.

But brittle penis bones may impair the species' ability to reproduce – affecting other species up and down the food chain.

Pottery club pull plug on sex toy class

THE head of a pottery club is going solo after her bid to slip a dildo making class into the group's curriculum didn't measure up to members' standards.

Nicole Gaston thought ceramic sex toys would be an exciting way for the Wellington Potters' Association in New Zealand to teach techniques such as "hand-building" – but her colleagues thought otherwise.

A flyer for the now-cancelled event said: "Ceramic sex toys are fun, beautiful, safe and suitable for all bodies."

However, after quitting the group Nicole said: "The world is changing, we're not all prudes, people are interested in this."

The committee that shot down the plan said it was shocked when she proposed the idea and deemed the sex toy making class inappropriate.

They said in a statement: "Through discussion, it was established that the majority were against it for various reasons."

Fags out, but spliffs are OK

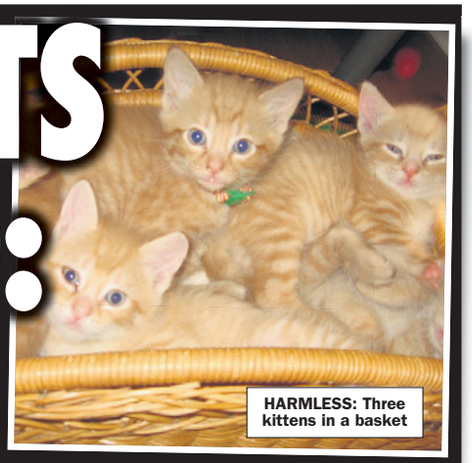
LOCAL council dopes have banned residents from smoking tobacco in their apartments – but puffing on a marijuana joint inside is FINE!

The Board of Supervisors in San Francisco approved the new law in a 10-to-1 vote, making the city the largest in the US to adopt the tough measure against tobacco smokers.

Lawmakers originally proposed to ban weed smoking in buildings, but reversed their position after militant potheads whined it was the only legal place they could use.

Tobacco smokers argued the new law violated their rights but officials rubber-stamped the bill, citing secondhand smoking concerns.

STUFFED: Beaver



HARMLESS: Three kittens in a basket

MILITANTS DEMAND: CULL ALL BEAVERS & PUSSIES COS THEY'RE OFFENSIVE TO WOMEN

By SIMON DEAN
simon@sundaysport.co.uk

BEAVERS – reintroduced to Devon after being extinct in England for more than 400 years – have just built their first dam.

But this amazing triumph of restorative conservation counts for NOTHING among militant feminists because, along with cute little pussies, they want all beavers CULLED!

And why?

Because the prodnoses believe the words "beaver" and "pussy" are offensive to women as they are used as crude slang words for the female MINGE!

Leading the call for the mass slaughter of beavers and little pussy cats is professional whinger Meadow Sugarsweet.

She tromboned: "Many, many species have become extinct in Britain over the centuries but the male-dominated 'conservation' industry believes beavers are a priority.

"Any why?

"It's because they can go on and on about beaver this, beaver that, wet beavers, breeding beavers.

"It's just not on."

Violence

Sugarsweet continued: "And as for calling cats 'pussies' – that is nothing short of violence against every woman, transwoman and their allies.

"There is nothing else for it. All beavers and cats must die!

"Only through widespread slaughter can we have a Britain that is safe for our sisters."

While Sugarsweet's stance may sound pretty outlandish, it has its supporters.

It's believed the BBC standards committee is already considering referring to beavers by their Latin name, *Castor fiber*, so presenters do not have to utter "beaver" on screen.

CALL FOR BEAVER BAN: Meadow Sugarsweet

That comes just days after BBC Radio Lincolnshire pundit Steve "Tommo" Thompson was suspended for describing a scuffle between two players as "handbags".

The BBC said: "After listeners raised their concerns, Steve acknowledged that some of his comments on air didn't meet the standards we expect.

"He is taking a break but will be back in the New Year."

PERV WOMAN FINGERED TEEN

ADMISSION: Stacy Row blamed girl

A WOMAN has pleaded guilty to the sex assault of a 13-year-old girl after a night of drinking.

In court, Stacy Row, 56, admitted sexual conduct with a victim under the age of 16.

Her husband, Steven Row, was also charged in the case but he was found dead from an apparent suicide about three months after the charges were filed.

The offences came to light in April 2019 after the girl was interviewed by social workers.

SUICIDE: Steven Row

Police were notified that the girl, who was 13 years old at the time, was touched sexually by The Rows at their home.

Court records show the couple had been drinking and called the girl into their bedroom.

Steven Row allegedly told the girl to get undressed and started touching her sexually. Stacy Row performed sex acts on her at the same time.

Stacy Row told cops in Paynesville, Minnesota, the allegations were true but claimed it was the girl's idea and she wanted it to happen.

She will be sentenced in February.

Kitty's keen on lesbian lovin'!

By WENDY THOMAS
news@sundaysport.co.uk

KINKY Kitty Lea loves a bit of LESBIAN action and reckons everyone should try having a THREESOME.

The 30DD lovely, from the glorious cathedral city of Lincoln, says she's always snogged women and loves groping their boobs – something she thinks every woman should try.

Kitty, 27, also says that a ménage-a-trois should be on your to-do list, too.

Threesomes

She said: "I've always kissed women and it's not something that bothers me.

"I like to see a beautiful woman. I like to see what girls are out there, what they've got to offer.

"I had loads of threesomes in my wild days and I think everyone should try it once.

"The trick is to pick the right people to do it with.

"Some girls are really up for it, some you've got no chance with. Talk to your lady and see how she'd feel about sharing you with someone else.

"If she's up for an experience with a woman, you could just watch!"

NATASHA: I'M LOST WITHOUT PANTIES

By WENDY THOMAS news@sundaysport.co.uk

NATASHA Anastasia is really buzzing.

After weeks spent getting all fed-up and fidgety in lockdown she's finally found some relief...

Because her favourite way to spend the Sabbath is shopping for frilly PANTIES!

The stunna said: "I really can't believe how much lingerie-buying time I've missed out on this year because of the two ruddy lockdowns.

"I know we're supposed to help save the NHS and that, but it was really beginning to get to me.

"There's nothing more I like than going to the shopping centre and visiting all the undies shops and buying loads of sexy smalls.

Shaven

"I was imagining myself pulling them to one side to expose my shaven pussy to some lucky fella.

"I love flashing my pussy – I've even done it in public a couple of times."

And there's another thing she's been missing...

Natasha added: "After I go shopping for lingerie, there's a great ice cream parlour near me that does a Sunday special.

"They offer three flavours on a waffle for just £3. What a bargain!"

Introducing Britain's most PESSIMISTIC astrologer...

SEPTIC MEG

FORGET astrologers who tell you you're going to meet a tall, dark stranger and that you're about to come into money...

Septic Meg tells it like it is – UTTERLY SHITE!

Other newspapers' stargazers are filled with optimistic balderdash, which leaves you completely unprepared for the vale of tears that is the real world.

Did any other newspaper astrologer see the coronavirus coming? Of course they f**king didn't.

So here's how YOUR immediate future is going to pan out, according to our very own SEPTIC MEG!

SAGITTARIUS ♐
NOVEMBER 22 – DECEMBER 21

YOU really would have preferred that first pint on Wednesday evening to have been accompanied by some simple KP nuts, instead of an entire pheasant and chips.

CAPRICORN ♑
DECEMBER 22 – JANUARY 19

YOU will wake up tomorrow morning genuinely thinking you've won the lottery and fret what to spend it all on – but don't worry, because you definitely, definitely haven't.

AQUARIUS ♒
JANUARY 20 – FEBRUARY 18

CHRISTMAS 2020 for you and your family is going to be about as much fun as having root canal work at the dentist.

PISCES ♓
FEBRUARY 19 – MARCH 20

SIR Alex Ferguson's description of "squeaky bum time" at a period of football peril is also an apt way to describe your piles right now.

ARIES ♈
MARCH 21 – APRIL 19

BY way of an apology for breaking lockdown rules for her 30th birthday bash, you're prepared to allow Rita Ora to wrap her naked snatch around your mouth in the manner of an octopus.

TAURUS ♉
APRIL 20 – MAY 20

YOU'RE understandably wondering if, with Topshop in the financial mire, can you buy Kate Moss?

GEMINI ♊
MAY 21 – JUNE 20

CHRIMBO is going to be shit in any case, so you might as well get it out of the way now by telling the kids Santa doesn't exist.

CANCER ♋
JUNE 21 – JULY 22

IF next door gets yet another Amazon Prime delivery, don't get angry at them for shamelessly buying deliveryman friendships. Just accept that no-one likes you.

LEO ♌
JULY 23 – AUGUST 22

STOP whingeing. You could be a sheep, freezing its claggy tail off while shivering high up on a wintry Scottish mountain.

VIRGO ♍
AUGUST 23 – SEPTEMBER 22

YOU'RE wondering why fish is such a big deal in the Brexit negotiations when the nearest you ever come to one is in finger form.

LIBRA ♎
SEPTEMBER 23 – OCTOBER 22

WITH the Isle of Man being in Tier 1, you've been making enquiries to find out if entry to the place depends on whether or not you're prepared to have your cock chopped off for a pint.

SCORPIO ♏
OCTOBER 23 – NOVEMBER 21

YOU'RE going to assume that everyone is a carol singer by replying to your ringing doorbell with a hearty: "Fk off!"**

LEGENDS OF PORN

ACTION GIRL: Beauty takes cock on camera

PART 135 MARLEY BRINX

MARLEY Brinx was born in Toronto, Canada, on August 4, 1994.

She lived there all her life, before entering porn, and now divides her time between home and LA.

Marley, who's bisexual – has pert 32B boobs with big nipples and admitted she was "very promiscuous" before she met her high school boyfriend Brandon.

They are still together.

One night in 2015 the couple contacted the porn company Mofos and within two hours they got a reply.

By PENNY MARSHALL
news@sundaysport.co.uk

Marley and Brandon were swingers before that, so they didn't have any problem with having sex with other people.

Since Marley had tried anal sex before porn, she didn't wait to be offered more money (like some models do) but was ready to shoot anal scenes right away.

And she does a LOT of anal…

She masturbates at home at least once a day and says she cums in every scene she makes.

Privately, Marley likes cooking and watching Mixed Martial Arts.

HAND RELIEF

JULIE: I gave my first handjob to my boyfriend in his bed when we were both still at high school.

He was my first boyfriend and I fancied him like mad, and we'd been dating a while and I wanted to take things to the next level.

My friends had told me how they did it and I soon got the hang of it.

It went quite well really, it only took me a few minutes and he came all over the sheets. I suppose he had some explaining to do to his mum later as he couldn't mop it all up very well.

It's nice to pleasure your boyfriend but I got nothing out of it – well, a bit of a rub of my fanny through my knickers.

BECCA: I was dead nervous the first time I gave a handjob when I was 17 – I was a bit of a late starter, wasn't I.

My boyfriend had dropped a few hints about all his mates getting one from their girlfriends so I knew it was time I had a go.

I did it one night when we were lying in his bed. It wasn't difficult and he seemed to enjoy it, which was the main thing.

He came after 15 minutes and he had a hankie waiting. I just thought it was okay, it wasn't anything special, but at least I was on the road to a lot more sexual adventures!

ORAL PLEASURE

JULIE: I gave my first blowjob to a lad from my school not long after I'd given the handjob – I was getting hungry for sex very quickly, it seems!

We were at my friend's house party and started getting it on with each other.

We moved into the bathroom for some privacy and he just pulled his pants down, which was enough of a hint for me – that and the fact that he was rock hard stiff and it was twitching with eagerness.

He came in less than two minutes and it took me by surprise at how powerful his spurting was – and how much he came, or so it seemed.

I swallowed because it seemed like the polite thing to do. It didn't taste nearly so bad as I'd expected.

BECCA: I really don't know how my first blowjob happened, I think I was drunk because we'd bought a bottle of cider and that always goes to my head.

Anyway, we were in his bed one night watching a movie and the next thing I knew I was going down on him. I must have been feeling adventurous or really very randy.

It was quite good and I loved the feeling of power it gave me – speeding up and slowing down when he was about to come.

It took about 15 minutes for me to make him ejaculate.

I swallowed because I didn't know what else to do quite frankly.

It tasted like salty toothpaste, if you can imagine what that's like, but I enjoyed it. I love how men's come tastes different.

FIRST TIME

JULIE: I lost my virginity when I was 17 at my mate's birthday party.

My boyfriend and I had been talking about doing it for a few weeks so it just happened.

We did it in one of the bedrooms and I was really enjoying it but after a few minutes my mate's younger brother ran into the room. He soon left but it totally ruined the moment.

BECCA: I had sex for the first time when I was 16 with my first boyfriend.

We planned it for a month before we actually got round to doing it and it was his first time as well.

It lasted about half an hour and was really gentle and nice. I can't think of a better way I would have preferred to lose my virginity.

WILLY SIZE

JULIE: The second guy I went out with had a really big willy, it was eight inches long and thick as well.

I was absolutely sure it was going to hurt and it did at first but after five or 10 minutes it started to feel really good.

I've had better sex with guys who weren't as well hung though, and I don't think size is important at all.

'He came in less than two minutes and I was so surprised at just how powerful his spurting was…'

BECCA: My first big one was on a one- night stand a couple of years ago and he had a nine-incher.

I was a little drunk so when I saw how big it was, I didn't think anything of it – I certainly felt it though! The feeling of being totally filled can't be beat but it's the looking at a big cock that turns you on, much like big tits turn men on, I suppose. The sex was really excellent but I think he knew what he was doing.

BUM FUN

JULIE: I'll probably try anal one day, it just hasn't happened yet.

One of my best mates has tried it and she says it's okay when you get in to the swing of things and nothing has put me off. I'd like to try it so that I can make my own mind up about it.

BECCA: I hadn't planned to try anal but one night my boyfriend just stuck it up there. It was actually surprisingly nice and I thoroughly enjoyed it.

I've done it many times since and I really like it – sometimes it can be better than "normal" sex… you know, when he just puts it in your minge.

ONE-NIGHT STANDS

JULIE: I had my first one-night stand when I was unattached in my late teens. I met him at a friend's party and at the end of the night we sneaked into the attic room and had sex.

It was a spur of the moment thing because we were both drunk and it seemed like a good idea. I don't remember much about the sex but didn't regret it because he was fit.

I haven't had any more since but I would do if I was in the right mood with the right guy, that's for sure.

BECCA: My first one-night stand was with one of my friends. We'd been to a party and he was walking me home, we got to his house and he invited me in.

As soon as we got in we were kissing and ended up in his bedroom having sex.

He was really good in bed and we had sex for a good hour, he just knew all the right buttons to press.

I didn't regret it at all the next day and I'd have another one if I was single.

DRESSING UP

JULIE: I have a few naughty outfits I like to wear for sex. My skintight cat suit with little cat ears always gets men going!

BECCA: I've only ever worn nice undies for bed. They always work for me – well, I've never had any complaints!

Lola: Rub my boobies for good luck!

By WENDY THOMAS
news@sundaysport.co.uk

LUSTY Lola says she loves having her big boobs rubbed.

But she loves it even more when a red-hot girl runs her sopping PUSSY all over her marvellous melons!

The 30-year-old – who has 36H busters – was born in the Czech Republic but now lives in Birmingham.

She said: "Don't get me wrong, I like men and I like it when they fondle my huge breasts.

"But a woman has that gentle touch on my hard nipples that can make juices run from my pussy.

"Then if she runs her pussy on my tits until they glisten with her juice, I gush like a broken radiator on a Ford Capri!"

Hannah wants a normal life!

HORNY Hannah Claydon is gutted that her home town of Wakefield has been plunged back into Tier 3.

But she's daydreaming about what life might be like after we're freed from house arrest and can start living life as 'normal'.

By PENNY MARSHALL
news@sundaysport.co.uk

She told us: "I think that one thing about being cooped up at home is that you appreciate the fresh air a lot more.

"Once this is all over, I'm going to go on a long walk in the hills above my home town of Wakefield and end up in a pub – if any are left after all this nonsense!"

Carol goes crazy for KFC's gravy!

By WENDY THOMAS
news@sundaysport.co.uk

CURVY Carol Wayne has an unusual confession...

She gets really turned on by eating Kentucky Fried Chicken!

The 29-year-old, who's from the Czech Republic, said she likes to pour the gravy over her 34F boobs and then have her lucky fella lick it all off.

Penis

She revealed: "It's a weird fetish, I know, but I love the feeling of that greasy gravy sliding down my boobs.

"When my man licks it off, sometimes I orgasm before he's even put his big penis inside me.

"However, I don't like the chicken very much.

"It's never quite as nice as you think it will be."

THE WORLD FAMOUS AGONY Page

Dear Ava,

THIS summer I stayed on a lovely campsite where the women were all fit and gagging for it.

After I pitched my tent I joined in a rounders game and chatted to a 40-something blonde.

She said her hubby hated camping and she'd come with her mates instead.

We sloped off to the shower room where she soaped up my hard-on and I got to work between her legs with my fingers.

Over the next week I ended up boning her and all her pals, too.

Should I sell my house and camp full-time?

HG, Doncaster

Ava says...
CAMPING in winter sounds bloody cold to me – maybe just stick to summer trips.

Dear Ava,

THE insurance firm I work for moved my department into a small portakabin after we had a flood in the office.

I was making a brew in our tiny kitchen area the other day when a busty female colleague squeezed past me to get to the fridge – and brushed her massive arse against my crotch, giving me a visible stiffy in my work kecks.

She spotted the huge bulge straight away and gave me a cheeky wink.

I fancy her and she clearly fancies me – and I'd love to shag the arse off her – but do you think I'm getting into hot water having a relationship with a co-worker?

TD, Notts

Ava says...
LIFE'S too short – go for it! If things don't work out for the pair of you, just look for another job. Good luck!

Sunday Sport SEXY BACK END!

Oriental hooker lets me plumb both holes

Dear Ava,

I'M a 24-year-old plumber and have been working with the same gang of lads for three years.

Recently, we had a week in Birmingham and every night was party night at the local massage parlour.

One evening I had a lovely Chinese babe whose speciality was taking it up the arse.

It's always a big turn-on for me to back scuttle the ladies because I have to confess I'm a bit small in the penis department and a bum hole is nice and tight.

Needless to say, I had a great time with the Chinese chick.

She said that to get maximum pleasure she must insert a strange sex toy up her fanny.

Slipping

So she put on a bit of a show, fondling her tits and slipping the toy in and out of her juicy hole.

Then she got on the bed and waved her cute little arse in my face – ready for me to get stuck in.

Once inside her I could feel the whirring sex toy in her fanny pressing hard against my dick.

She must have been feeling something, too, because she was moaning and groaning and telling me to f**k her harder.

I was gently pulling her hair and groping her tiny boobs as I watched my cock slide in and out of her tight bumhole.

And after about five minutes of pounding she went off like a rocket as I shot my wad of jizz up her.

She then took the sex toy out of her and told me to screw her.

My dick seemed to be bigger than normal as I stared at her glistening, bald fanny.

Then I licked her out before entering her.

She was talking dirty to me and said I was the best she'd ever had.

Well, I felt like a king.

I loved sucking her lovely, firm tits and stroking her legs as I slipped in and out of her.

After about 10 minutes of banging into her I had the most intense orgasm of my life.

Showered

Afterwards, I showered down and she gave me a nice, long blowjob which she said was just to say "thank you" for such a good fanny and arse-f**king."

I couldn't get her out of my mind and arranged to meet her after work the next night, for a meal.

Afterwards she let me shag her in both holes on the back seat of my car.

Since then I've fallen head over heels and asked her to marry me, but she said she has to pay off debts of £10,000 first.

I could help her out, but that's all my savings.

I'm not sure she's worth blowing all my cash on though.

Do you think I should do it?

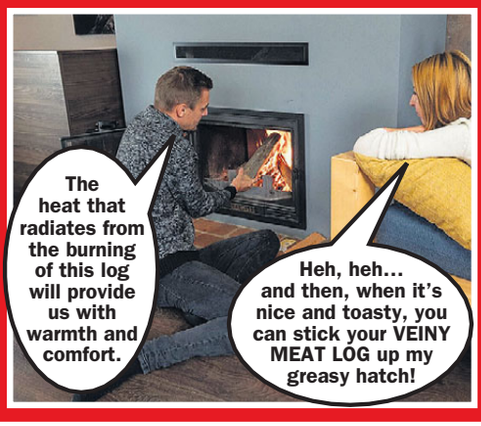
MG, North Yorks

Ava says...

NO, definitely not! She's playing you for a fool.

There are plenty of girls out there who you will be able to have a good relationship with, who won't ask for £10,000 first.

Swerve this gold digger, forget about the size of your knob, and get yourself out in the pubs and clubs, live a little and talk to some girls!



The heat that radiates from the burning of this log will provide us with warmth and comfort.
Heh, heh... and then, when it's nice and toasty, you can stick your VEINY MEAT LOG up my greasy hatch!

Ava says...

IF it's good enough for the KGB...

Pamela: lockdown ruined my sex life!

By WENDY THOMAS
news@sundaysport.co.uk

PAMELA is fuming...

At New Year she set herself a sexy challenge to bonk 20 complete strangers in 2020.

But Boris's lockdowns have buggered that up!

And the 27-year-old Hungarian beauty – who now lives in Rawtenstall, Lancs, said: "I love the cock, yes?

"I just can't get enough of it, so I decided that a challenge was in order.

Banned

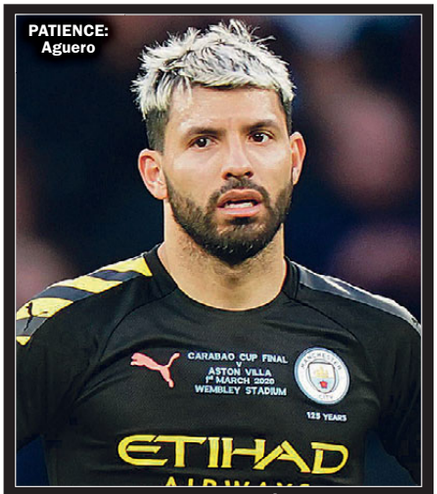
"I was doing well until March, but then lockdown came and I was banned from shagging strangers.

"Your Mr Johnson is a big shagger, so why has he ruined life for shaggers with his rules?!"

Pamela, who has 34C boobs, added: "I have been making do trying to please myself, so to speak.

"My dildo is almost worn out and I want a new butt plug for Christmas.

"I like it in the ass."



PATIENCE: Aguero

No panic to get Aguero back for Pep

SERGIO Aguero is almost ready to return for Manchester City — and could be back this week.

The Argentina hitman has been on the sidelines has been out for a couple of weeks after feeling the effects of the knee surgery before the season kicked off.

Boss Pep Guardiola insists he won't rush his main goal-getter back — but it won't be long before fans see him again.

The City gaffer confirmed that he is back in full training. He added: "Aguero is getting better. The good news is that he's on the pitch with us. Will he be back soon? We will see."

Guardiola has been paying tribute to a couple of players who have weighed in with goals while Aguero has been on the sidelines.

He singled out Raheem Sterling who he believes has gone the extra mile this season.

He insists he is not worried about the England forward's run of six games without a goal heading into the last round of Premier League matches.

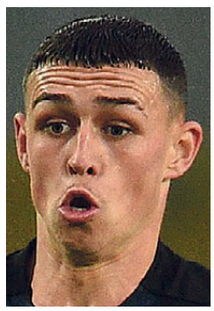
Guardiola said: "He doesn't need to do anything differently.

"He's an incredibly important player for us and the season is long.

"His contribution this season has been huge. It was in the past and will be in the future."

And Phil Foden is finally getting the gametime that City fans have been demanding for a couple of seasons.

Guardiola has been impressed by the way the England midfielder has been willing to play in different areas of the park to help the team.



STEPPED UP: Foden

He added: "We're more than delighted to have Phil with us.

"It's the message if you're a young player — if you have the skills and the passion.

"Football is the only thing in his mind, to achieve big things for himself, this team and the national team.

"He's like a little boy when he goes on the pitch, to play with his mates. I think he'll play much more in the future.

"I hope he can improve but knowing him, it's going to happen."

Meanwhile, City are being linked with a January move for Monchengladbach midfielder Denis Zakaria.

The 24-year-old is looking for a move in January and is highly rated in Germany.

He sits in front of the defence and would cost around £35m.

MISFIRING: Sterling

WE'RE NUMBER ONE FOR FOOTBALL!

DERBY DAZE: Aubameyang

DERBY VICTORY CAN SPUR US ON

One win to turn season around says Auba

ARSENAL must beat Tottenham to turn their season around.

By PAUL THOMAS

That's the honest view of Gunners skipper Pierre-Emerick Aubameyang ahead of the north London derby.

Arsenal have been going well in the Europa League and walloped Rapid Vienna 4-1 on Thursday night to make it five wins in a row.

But things have been very different on the domestic front as Mikel Arteta's men have made their worst start to a season in almost 40 years.

A trip to White Hart Lane to take on the league leaders may not seem the best thing right now.

But Aubameyang believes it gives Arsenal the chance to sort out their campaign with just one win.

He said: "I think this is the game that we have to make into a turning point for us this season.

"There's nothing better than this game to give you that opportunity to turn things around.

"We have to understand that if we can win this game then everyone will change their mindset.

"A big result in the derby can really lift the players, the fans — everyone around the club.

"We know it will be a tough game, they are playing well at the moment to tell the truth, but we have to take care of our game, how we want to play the game, and make it all about us.

"We are witing for this game. We need to give everything to get the win and change our situation."

Aubameyang admits he and the rest of the Arsenal players were not good enough against Wolves at the Emirates last week.

It was their fifth reverse of the season and the skipper knows that bad run of form must stop right now.

He added: "We were not happy with our performance against Wolves.

"I think we showed two different faces in that match. We completely missed the first half, we didn't play our usual game, how we want to play, and of course this is really disappointing for us.

"There's a lot of frustration because we know we can do a lot of things much better than we did.

"In the second half we showed more that we are capable of putting the opponent in difficult situations, we created some opportunities to score goals, but in the end we couldn't do it.

"I think the behaviours were better in the second half, though.

"For whatever reason we were not at a good enough level in the first half. We know that, and we know what we have to do better from now."

Aubameyang believes the Vienna win has boosted confidence. And he's confident his team-mates will be ready from the kick-off against high-flying Tottenham.

He said: "More games are coming quickly now, and the good news is we know exactly what we have to change. So it's up to us to do it."

Jose's Gunner silence Arteta

FLYING HIGH: Mourinho knows how to stay top of the table

TOTTENHAM LOOK TOO STRONG

TOTTENHAM can keep up their excellent home record against Arsenal.

Spurs are unbeaten the last six times they have hosted their north London neighbours and are in much better form than the Gunners.

It must be painful for Arsenal fans to see their rivals sitting pretty at the top of the table.

But it's even more galling to know that Jose Mourinho's men are on a different level at the moment.

Goals have been the main problem for Mikel Arteta's team although they did manage to stick four past Rapid Vienna in the Europa League.

It will be a different story at the Lane where their away day woes can continue.

Firepower

Since Arteta took over from Alan Partridge lookalike Unai Emery, Arsenal have won just four of their 15 games on the frog and toad.

That explains why they are struggling in the bottom half of the table.

Wolves were too good at the Emirates last weekend and there needs to be a major change of approach.

It would be easy for Arteta to shut up shop and go for a draw and that's likely to be what he tries — and fails — to pull off.

Tottenham have too much firepower and Harry Kane should have shaken off his niggle to face the old enemy. He's more than ably supported by Heung-min Son with Gareth Bale waiting in the wings.

They were brilliant in seeing off Manchester City 2-0 in their last home game and can repeat that scoreline.

It's 11/10 in a few places for Tottenham to win this match and that looks more than fair. Arsenal are too short at 29/10 with the draw 13/5.

That 2-0 home win looks tempting at 9/1 in a few places and I'll be having a slice of that.

There are some corking games today and Liverpool put their amazing home record on the line against a Wolves side on a high after beating Arsenal.

Enough has been written about the Kop's injury list but it's true that you could almost put a full team out of world-class crocks.

Boss Jurgen Klopp hopes to have Trent Alexander Arnold back and that would be a major boost as his runs down the right are a major source of chances for the front players.

He is likely to be without No1 Alisson though and that's a huge miss. Youngster Caoimhin Kelleher did a great job against Ajax but he will be put under huge pressure by Nuno Santo's men.

Liverpool are now unbeaten in 64 at home and it will be tough to make it 65.

Wolves have some injury problems of their own though with Raul Jimenez a big miss in attack after his fractured skull horror.

And they are coming up against in-form old boy Diogo Jota who is playing like he's been at Anfield all his life.

He must be a corking bet to hit the target against his old pals. And I reckon he can hit the target at 13/10 with Bet365.

This is going to be a close call and Wolves are likely to stick one past Kelleher — but the Reds can just nick it.

Go for the Liverpool win and both teams to score bet at 11/5 with Bet365.

OLE: REDS HAVE BEEN FLYING IN PAST YEAR

By ANDY MILLOM

OLE GUNNAR Solskjaer insists Manchester United are one of the most consistent teams in England.

The Norwegian says his squad have performed well over the past year and the Champions League defeat against Paris St Germain last week was just a blip.

There is some truth to what Solskjaer is saying. If you look at the Premier League table for the whole of 2020 United are in third place with 61 points, six behind Manchester City and 19 off leaders Liverpool.

Solskjaer added: "We have played against some fantastic teams recently. If you go 30 or 40 games back, I think we're one of the most consistent teams performance-wise in the Premier League.

"Of course, you're disappointed when you lose a game.

"I thought we played really well on Wednesday and it's fine margins at times that decide games.

"The performance against PSG was miles better than the West Brom match, but you win the game against West Brom and don't get the three points against PSG.

"I think we're getting less bad performances and getting more and more consistent. You can never control the result in the end, that's decided by fine margins."

Solskjaer believes having fans back inside Old Trafford will be a big help to his players.

Manchester is stuck in Tier 3 at the moment so games are still behind closed doors.

But that is expected to change soon meaning 2,000 will be allowed back into the ground.

Even though there will still be 75,000 empty seats it will still be a boost for United.

The club is hoping to have supporters back for the December 20 clash with Leeds United. Plans have been drawn up to hold a ballot of season ticket holders to decide who gets to go. That's been the system at other Premier League clubs since fans were allowed to return.

TIER WE GO: Old Trafford

Supporters will have to sign up to a special code of conduct before they are allowed into Old Trafford.

Solskjaer said: "It's great to see fans back in a stadium. Of course, we want it back in Old Trafford as well and hopefully, we'll get that soon.

"Football is not the same, it's not been the same so it's great to see some back."

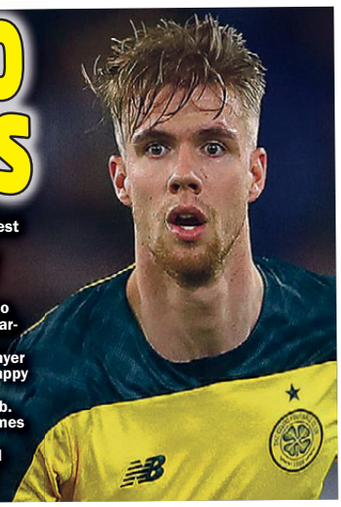
HOOPS TO MISS KRIS



AC MILAN are ready to step up their interest in Celtic centre-back Kristoffer Ajer.

The Norwegian stopped is being linked with Liverpool but the Italians look much more likely to swoop next month.

San Siro boss Stefano Pioli has made no secret that he would like to buy the 22-year-old international.

And Celtic insiders suggest that the player is keen on the move — and the club are happy to cash in at around £10m.

He said: "I'm not the director of the club. Let's see about Ajer, there are a lot of games left until January.

We focus on the next games, then we'll see if and what we can do in the January transfer market."

LIONS SUB STANDARD

CROCK AND AWFUL: Southgate

England hurt by three substitute rule says Klopp

ENGLAND could have a team of crocks for Euro 2020 because of the three-substitute rule says Jurgen Klopp.

By JOHN ANTHONY

The Liverpool boss wants five subs back like last season to stop injuries.

The Reds have been hit hard and the German insists that the Three Lions will be in trouble next summer too.

Klopp believes playing a full season will leave key players injured.

And those remaining will be knackered. He said: "Now pretty much all teams have to play every three days, it will be massive for everybody from now on and every team will feel the difference.

"And next summer it will become a problem for Gareth Southgate.

"Most of the players Gareth wants to pick play European football, pretty much all.

"Gareth will get what we give him if we stick with three subs.

"If we stick with three subs, he has a problem then, so it is an FA problem."
